Hi Folks- I'm hopeful you've already connected on this, but I wanted to add the GLO and FEAT folks in and ask that everyone work with R10 and OW to prepare a briefing for Justin, Layne, and David. When you have a sense of when everyone is ready to provide the briefing please let me know so we can set it up. Thanks, Kevin

I don't have a date in mind, but as I understand things, the court gave us until March to sort the issue with Pebble

Hi Shannon- Adding in Mike, as I understand OW might be briefing Layne on Pebble Mine today. We have not yet briefed Justin on where things stand in the litigation, but I had noted last night that we needed to move to do so. Once we have briefed up through our organizations we can jointly brief folks on where things stand and options. David, do you have a date in mind in which you would like us to brief you and any others who are interested?

Thanks, Kevin

David, here are two short papers prepared by OGC and Region 10 on the matter. Michelle and Kevin, let us know if there are further updates. These papers were last updated in January I believe.
